PO LEUNG KUK

主席的話
CHAIRMAN'S MESSAGE

回想屆初與保良團隊構思一年的工作時，我定下了「以人為本，眾心行善」為年度主題，寓意在開拓發展服務時，既要貼心與受眾同行，亦要凝聚各界同心行善，並讓資源發揮最大的果效。當你翻閱這本年刊，既會發現書中記載服務創新發展的章節，亦同時滿載溫暖動人的片段。這一年，我們與社會各界共同慶祝國慶七十五周年，同賀香港代表隊於奧運會獲取佳績等光輝時刻；我們亦緊貼社會需要，以服務受眾的需求為核心，細心陪伴他們跨越不同挑戰。

In the beginning of the term, while envisioning our work for the year as a team, I decided to adopt the annual theme of "Putting People First from the Start, Igniting Kindness with United Hearts", implying that in developing our services, we should not only be attentive to the needs of our recipients, but also unite people from all walks of life for charity, and make the resources work to the best effect. When you flip through the pages of this annual report, you will find that it is filled with chapters on service innovation and expansion, as well as heartwarming and touching moments. During the year, we celebrated the 75th Anniversary of the Founding of the People's Republic of China with various sectors of the community, and congratulated the Hong Kong Team for their outstanding performance in the Olympic Games; meanwhile, we also endeavoured to keep abreast of societal needs, putting the needs of our beneficiaries at the core and accompanied them to overcome different challenges.

近年，精神健康成為社會十分關注的議題，作為全港最大的辦學團體之一，本局其中六十多所學校已參與正向教育計劃，屆內本局更將正向教育和價值觀教育推廣至跨校層面，並與業界及公眾分享成果。我們集結屬下幼稚園及小學多年推行正向教育的經驗並舉行發佈會，與業界分享；我們亦開創「擁抱愛 • 共融計劃」，連繫屬下中學、小學和特殊學校學生，透過音樂、藝術、體育和舞蹈等範疇實踐共融價值觀教育。屆內本局亦開展營運港島區首間社區客廳，致力支援港島東區的基層家庭及劏房戶，協助改善受眾日常生活之餘，亦以提升其幸福感為目標。為針對青年及長者的身心靈健康，本局屆內分別夥拍善心企業及團體推出為青年而設的「Y Plus+精神及情緒健康入校支援先導計劃」，以及針對長者飲食需要的「醫食同源」項目。

Mental health has emerged as an issue of great concern to the community in recent years. Po Leung Kuk, as one of the largest school-sponsoring bodies in Hong Kong, has over 60 affiliated schools already participating in the Positive Education Programme. During the year, the Kuk also promoted positive education and values education at the inter-school level, in addition to sharing the results with both the sector and the general public. We pooled together the experience of affiliated kindergartens and primary schools in implementing positive education over the years, for which we held a conference to share with the relevant sectors. We also launched the "Love to Embrace Inclusion Programme", linking up with students of affiliated secondary, primary and special schools to practise inclusive values education in the areas of music, arts, sports and dance. The Kuk operated the first Community Living Room on Hong Kong Island during the year, dedicated to supporting the grassroots families and those living in sub-divided units on Hong Kong Island East, thereby improving the everyday lives of the recipients as well as enhancing their sense of well-being. Addressing the physical and mental health of the youth and the elderly, the Kuk partnered with charitable enterprises and organisations respectively to launch the "Y Plus+ Pilot Scheme on Mental Health Supporting Service for Schools" for the youth and the "Food as Medicine" project to address the dietary needs of the elderly during the year.

回想擔任主席之初，我已定下目標加大力度支援照顧者，紓緩他們照顧幼小以至長者的壓力。本局屬校有近四萬五千名學生，意味我們在教育層面上已服務數萬個家庭。屆內本局舉行超過十八場幼小校長與家長同行系列講座，透過連繫屬校校長及有關領域的專業人士，為壓力日增的父母提供教養及照顧幼兒的心得。為優化特殊學校學生在畢業後的銜接安排，本局獲社會福利署委託成立「特殊學校離校生專隊」，支援特殊學生畢業後重回社區，讓其

At the outset of my chairmanship, I set myself the goal of stepping up our efforts to support caretakers, relieving their pressure in caring for the young and the elderly. With nearly 45,000 students in our affiliated schools, we are already serving tens of thousands of families at the educational level. During the year, we organised the Seminars Series of the Po Leung Kuk Principal-Parent Companionship to provide parents with tips on parenting and caring for their young children under mounting stress by liaising with the principals of affiliated schools and professionals in the relevant fields. As a measure to optimise the post-graduation transition of special school students, the Social Welfare Department entrusted the Kuk to establish a "Designated Teams to

家長可安心過渡這重大轉變。屆內本局亦進一步推廣「閒 • 度假」服務，為有需要的長者提供短暫院舍住宿支援，讓其照顧者有時間可處理突發事件，或稍作休息。年內本局安老及康復服務亦推出多項多元化活動，包括講座、分享會和內地交流團，支援受眾及家屬的身心靈需要。

Support Special School Leavers" to facilitate their reintegration into the community after graduation, thus providing parents with a peace of mind during this critical transitional period. During the year, the Kuk also further promoted the "StayCation" Programme to provide short-term residential care support for the elderly in need, so that their caretakers could have time to deal with emergencies, or to have a respite. Moreover, the Elderly and Rehabilitation Services of the Kuk launched a wide range of programmes, including seminars, sharing sessions and exchange tours to the Mainland, in support of the physical, mental and spiritual needs of the recipients and their family members.

近年本局積極拓展青少年服務，致力培育青少年良好品格素養，加強其國民意識，並提升他們處理未來挑戰的關鍵能力。屆內本局獲教育局再次邀請合辦「心繫家國3.0」聯校國民教育活動系列，舉辦多個藝術與創科主題相關的跨校活動，加深青年人認識國家歷史、文化及創科成果。本局亦獲「粵港澳大灣區青年創業資助計劃」撥款以及善心企業配對捐款，在今年推出「創業經理人2.0」，我們累積了第一階段的成功經驗，得以為更多有志於大灣區創業的青年人提供創業基金、培訓及支援。屆內本局亦舉辦多次「創客」活動，包括百人創客馬拉松等，推動青年構思創新方案關心社會。

Over the past few years, Po Leung Kuk has been actively expanding its youth services, with a view to nurturing the youth with integrity, strengthening their national awareness, as well as enhancing their critical capabilities in dealing with future challenges. Within this term, the Kuk was once again invited by the Education Bureau to co-organise the "Love Our Home, Treasure Our Country 3.0" series of joint school national education activities, featuring a number of inter-school programmes on the themes of arts and innovative technology, so as to promote youths' understanding of national history and culture, in addition to the achievements of innovative science and technology. With the support from the Funding Scheme for Youth Entrepreneurship in the Guangdong-Hong Kong-Macao Greater Bay Area and matching donations from charitable corporation, the Kuk launched the "Star Agent 2.0" this year. Having accumulated the successful experience of the initial phase of the scheme, we are now in a better position to provide start-up funds, training and support to more youths aspiring to establish their own business in the Greater Bay Area. Within this term, the Kuk also held a number of "Impact Makers" activities, including the INNO MAKETHON, etc., encouraging the youth to come up with innovative solutions to care for the community.

「眾心行善」是今年的主題，亦是屆內多個服務及活動的寫照，不同持份者團結合力，令本局得以推行更多創新項目。本局獲廉政公署委託營運其於北角總部開設的「一九七四」咖啡廳，讓本局屬下職業康復服務的殘疾人士發揮所長，促進傷健共融；屆內本局北潭涌度假營成為賽馬會「Campsite+」營舍新發現計劃的統籌機構，聯同西貢其他三所營地攜手推出全新營地體驗活動；本局在相隔八年後再次舉辦慈善哥爾夫球賽；亦在賣旗日活動首次與本地當代藝術家劉建文先生Michael LAU合作，推出特色旗紙；屆內本局亦邀得佘詩曼女士擔任保良局「傳承愛心大使」，協助推廣保良局服務；而本局「兒童助養大使」鄭嘉穎先生亦於年內協助本局拍攝助養宣傳影片，鼓勵公眾參加兒童助養計劃，成為有需要兒童的成長「良」伴。

The annual theme, "Igniting Kindness with United Hearts", epitomises the unity of different stakeholders in implementing and organising innovative projects during the year. Commissioned by the Independent Commission Against Corruption (ICAC) to operate the Café "1974" at its North Point Headquarters, the Kuk's vocational rehabilitation services for persons with disabilities were able to give full play to their strengths, thus promoting the integration of the disabled and the able-bodied into the community. In addition, our Pak Tam Chung Holiday Camp served as the coordinator of the Jockey Club Campsite+ Re-imagination Project this year, joining hands with the other 3 camps in Sai Kung to launch a brand-new campsite experiential programme; the Kuk hosted a charity golf tournament again after a lapse of 8 years; we also collaborated for the first time with the local contemporary artist Mr Michael LAU on the Flag Day to launch a special flag sticker. Moreover, the Kuk invited Ms Charmaine SHEH Sze-man as the "Ever-Caring Ambassador" to help promote the Kuk's services, while our "Child Sponsorship Ambassador", Mr Kevin CHENG Ka-wing, assisted the Kuk to shoot a promotional video on child sponsorship, encouraging members of the public to participate in the Child Sponsorship Scheme, and to be a "Trusted Companions" for the children in need.

各界媒體亦是與本局一同「眾心行善」的好夥伴。感謝傳媒在屆內就本局的各項優質服務進行專訪報道，讓更多公眾了解本局發展。包括南華早報較早前採訪本局的一級歷史建築物中座大樓，介紹本局百多年來的歷史文化、教育親子媒體報道本局教育服務最新發展、人民日報報道本局服務里程等等，在此未能一一列舉，謹致以衷心感謝。本局未來會繼續努力，積極說好保良故事。

The media has also been a valued companion in our endeavours towards "Igniting Kindness with United Hearts". Thanks to the media's exclusive coverage of our quality services during the year, more members of the public got to know more about the Kuk's development. To name but a few, South China Morning Post (SCMP) featured an interview earlier at Main Building, a Grade I historic building of the Kuk, introducing our history and culture over the past century, several education and parenting channels reported on the latest development of our educational services, and the People's Daily covered stories on our service milestones, etc. The list goes on and may not be exhaustive, however, please accept our warmest appreciation for all of the favourable media coverage. In the future, we will strive ahead to tell good stories of Po Leng Kuk.

早前本局聯同保良局長期服務義工到訪政務司司長官邸，與陳國基司長GBS, IDSM, JP交流，我欣喜一眾義工與司長不約而同分享做善事回饋社會的樂趣。有說做善事就像得到「magic pill」一樣，令人快樂及提升幸福感。回想這一年的服務點滴，我感到非常欣喜，這份喜樂除了來自親身參與外，亦因為有各界善長、義工及保良團隊攜手同行。我在此感謝各位善長、義工、各界持份者與我一同眾心行善，讓本局服務不斷創新進步，屢創佳績。誠邀你翻閱這年刊的每一篇章，感受這「以人為本，眾心行善」的快樂力量。

Earlier on, the Kuk's long-term volunteers paid a visit to the official residence of the Chief Secretary for Administration, exchanging views with the Hon CHAN Kwok-ki, GBS, IDSM, JP, Chief Secretary for Administration, I was delighted to see how our volunteers shared with the Chief Secretary for Administration the pleasure of performing charitable deeds and giving back to the society. There is a saying that serving the community is like getting a "magic pill", which brings happiness and enhances the sense of well-being. On a similar note, I am very glad that I have been able to contribute to our society not only through my personal participation, but also through the concerted efforts of our donors, volunteers and the entire team at Po Leung Kuk. I would like to express my gratitude to all donors, volunteers and stakeholders for their heartfelt support to keep our services moving forward and achieving successes. 龐董晶怡主席：

致保良局甲辰年董事會謝函

過去一年，保良局在你和甲辰年董事會的帶領下繼續宏展善業，以愛匡羣，不但致力提升現有服務質素，更積極創優立新，善果豐碩，特此修函致謝。

年內，保良局致力推動國民和國家安全教育，讓學生建立正確的國家觀念。貴局與教育局和其他教育團體緊密協作，合力推展「心繫家國」系列的聯校國民教育活動。活動形式多樣，富有趣味，包括「『中國航天科技：探月工程』STEAM 月球車機械模型工作坊及挑戰」、「全港中小學生中國象棋分享及比賽體驗」等，深受同學歡迎。此外，貴局積極推動屬校舉辦和參與內地交流團，在二零二三至二四和二零二四至二五兩個學年，貴局與屬校已舉辦逾 300 個交流團，安排超過 12 000 名學生到內地不同城市考察，了解當地文化和認識國家的最新發展。貴局又主動為屬校管理層舉辦專題講座，加深他們對《香港國安法》、《基本法》第二十三條和《維護國家安全條例》的了解。國家安全展覽廳在去年正式開幕，貴局分批安排教職員及屬校約 13 000 名小學生參觀展覽，培養師生維護國家安全的意識。

保良局樂育菁莪，多年來廣惠學林。貴局在去年先後接待北京大學及北京大學中研基金會和清華大學的代表團，藉此鞏固彼此之間的聯繫，並為屬校學生開啓通往國內頂尖學府的大門。貴局更獲清華大學招生辦公室邀請，參加「內地升學直通車計劃」，足見保良的教育工作備受肯定。保良局也非常關注學童的精神健康，近年投放了大量資源推行正向教育，成績斐然。去年五月，貴局更與業界分享屬校幼稚園及小學的成功經驗和實踐成果，並呼籲教育工作者共同構建正向學習環境，促進學童健康成長。

除辦學外，保良局亦在不同範疇推展多項計劃，發展青少年服務。年內，貴局繼續為政府的「共創明『Teen』計劃」擔任新界東的地區營辦機構，扶助弱勢社羣家庭的學生。貴局亦舉辦「智慧啟杭—杭州創新創業交流團」、「尊老愛幼—東莞價值觀教育交流團」和「銀幕青春—探索湖南短視頻製作之旅」，讓年輕人得以走出香港，擴闊視野。保良局不但全力支援有志創業的青年，幫助他們逐夢前行，還通過不同計劃和項目，匡導年輕人關心社區、貢獻社會。不論是「香港青年創客百人計劃」、「大灣區青年創新創業大賽」、「百人創客馬拉松」，還是新一輪為期三年的「創業經理人 2.0」計劃，它們都有一個共通之處，就是鼓勵年輕一代發揮創意，推動社會創新進步。此外，保良局青年服務的旗艦項目「保良局李兆基青年綠洲」計劃亦運作理想。這項計劃不僅為青年提供租金相宜的居住空間，還提供一系列的支援服務，讓青年裝備自己，實現夢想。我亦喜見貴局積極推動青年住客參與義務工作，促使年輕人與社區拉近距離。青年宿舍自二零二三年五月入伙以來，已舉辦逾 330 項義工和社區活動，共錄得接近 6 500 人次參與，成績有目共睹。

此外，保良局致力推動社會共融、支援弱勢社羣，殊堪嘉尚。近年，貴局全面展開「擁抱愛．共融計劃」，以運動、舞蹈、音樂、藝術作為媒介，把屬下主流和特殊學

校的學生連繫起來，在校園建立互助互愛、互勉互諒的文化。貴局亦於去年十二月在中環街市舉行「愛・相聚」活動，向公眾展示如何在生活中實踐共融的理念，並讓市民了解推廣關愛共融的文化所帶來的裨益。貴局除積極聯繫商鋪寄賣由殘疾人士製作的手工藝品外，還安排職業康復單位的學員到廉政公署總部的「一九七四」咖啡廳實習，讓他們有機會學以致用，融入社會。為照顧不同社羣的需要，由保良局營辦的筲箕灣社區客廳和青衣喜悅耆會在今年投入服務，分別為有需要的「劏房」戶和長者提供適切支援。

去年適逢中華人民共和國成立七十五周年，保良局悉心籌辦多項既精彩又有意義的慶祝活動，包括舉辦「『藝遊香港』電車遊覽活動」，推廣殘疾人士的藝術創作；舉行「愛國・愛家・愛自己—慶祝國慶暨照顧者身心健康活動」，讓精神復元人士及其照顧者感受到社會各界的支持和關愛；籌辦「乒乓同慶建國 75 周年活動」，培養學生對運動的興趣。這些活動不僅有助增強市民對國家的向心力，還為社區增添溫情暖意。

保良局甲辰年董事會同心履善，澤社功宏。謹此再次感謝你和董事會竭誠付出，並祝新一屆董事會工作順利，保良局德業延綿。

Mrs Helena CY TUNG PONG
Chairman, Board of Directors
Po Leung Kuk
66 Leighton Road
Causeway Bay
Hong Kong

Dear Mrs PONG,

Letter of Appreciation to
the Po Leung Kuk's Board of Directors 2024-25

I would like to express my heartfelt gratitude to you and the Board of Directors 2024-25 for leading Po Leung Kuk in furthering its charitable cause and caring for the community over the past year. The Kuk not only strived to enhance the quality of its existing services but also attained remarkable achievements with new initiatives.

During the year, Po Leung Kuk endeavoured to promote national education and national security education, fostering in students a sound sense of national identity. The Kuk launched joint school activities on national education, including the Exploring Chinese Aerospace Technology: STEAM Lunar Rover Model Workshop and Challenge and Hong Kong Students' Xiangqi Experience, under the theme of "Love Our Home, Treasure Our Country" in close collaboration with the Education Bureau and other educational organisations. These diverse and engaging activities were well-received by students. Besides, the Kuk actively encouraged its affiliated schools to organise and take part in exchange tours to the Mainland. In the 2023-24 and 2024-25 academic years, more than 300 exchange tours to various Mainland cities for over 12 000 students were organised by the Kuk and its affiliated schools. These tours were designed to enable the youngsters to learn more about the cultures of the cities and the latest developments of the country. The Kuk also took the initiative to organise thematic talks for the management of its affiliated schools to enhance their understanding of the Hong Kong National Security Law, Article 23 of the Basic Law and the Safeguarding National Security Ordinance. Following the official opening of the National Security Exhibition Gallery last year, the Kuk promptly organised visits for its educational personnel and approximately 13 000 students from its affiliated primary schools to raise their awareness of safeguarding national security.

Enthusiastic about nurturing the young, Po Leung Kuk has significantly contributed to the education sector over the years. Last year, the Kuk hosted delegations from Peking University, Peking University Zhongyan Foundation, and Tsinghua University, strengthening ties while providing opportunities for students from affiliated secondary schools to pursue studies at top universities on the Mainland. The invitation from the Admissions Office of Tsinghua University to participate in the Po Leung Kuk Mainland Higher Education Express Programme was a testament to the recognition of the Kuk's educational efforts. Attaching great importance to the mental health of students, Po Leung Kuk has devoted substantial resources to the implementation of positive education in recent years, achieving notable success. Last May, the Kuk shared with other members of the education sector the successful experience of its affiliated kindergartens and primary schools and their fruitful implementation, calling on educators to collaborate in creating a positive learning environment for the healthy development of students.

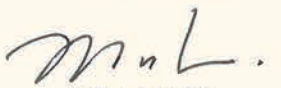
In addition to sponsoring schools, Po Leung Kuk has launched a number of programmes in different areas to promote youth services. During the year, the Kuk continued to serve as the New Territories East District Organiser for the Government's Strive and Rise Programme, providing support for students from underprivileged families. The Kuk also organised the Hangzhou Innovation and Entrepreneurship Exchange Programme, the Dongguan Values Education Exchange Programme and the Behind the Screen – Changsha Video Shooting Exchange Programme, offering young people the opportunity to explore beyond Hong Kong and broaden their horizons. The Kuk not only gave full support to young individuals aspiring to start their own business and helped them pursue their dreams, but also, through various programmes and projects, fostered among our young generation a sense of community care and social contribution. Initiatives such as "Hong Kong Impact Makers 100", "Greater Bay Area Youth Entrepreneurship Competition", "Inno Makethon" and the new round of the three-year "Star Agent" programme all shared a common goal: to inspire young people to unleash their creativity and promote social innovation and development. In addition, the Kuk's key project in youth development, namely the Po Leung Kuk Lee Shau Kee Youth Oasis, is running well. The project not only provides young people with affordable accommodation, but also offers a range of support services to help them gear up and achieve their aspirations. I am also glad to see that the Kuk has been actively encouraging the young tenants to participate in voluntary services, thereby fostering a closer connection to the community. The Youth Oasis has achieved remarkable results since its intake of tenants in May 2023, with over 330 volunteer and community activities organised and nearly 6 500 participants in total.

Po Leung Kuk's efforts in promoting social inclusion and supporting the underprivileged deserve high commendation. In recent years, the Kuk has fully implemented the Love to Embrace Inclusion Programme, bringing together students from its mainstream and special schools through sports, dance, music and art to foster a culture of mutual support and understanding in schools. The Kuk also organised the event "Love Reunion" at the Central Market in December last year to demonstrate inclusivity in everyday life and the benefits of promoting a caring and inclusive culture. Apart from actively liaising with shops for the consignment of handicrafts made by people with disabilities, the Kuk also arranged for trainees from its vocational rehabilitation units to undertake internships at Café "1974" at the headquarters of the Independent Commission Against Corruption, providing them with the opportunity to apply their skills and integrate into society. To cater for the needs of different social groups, the Kuk's Community Living Room in Shau Kei Wan and Jolly Net in Tsing Yi will commence operation this year to provide suitable support for subdivided unit households and the elderly in need respectively.

Last year witnessed the 75th anniversary of the founding of the People's Republic of China. Po Leung Kuk specially organised a series of splendid and meaningful celebration activities, including "Celebrating the 75th National Day – Art in the City" to showcase the artworks of persons with disabilities, "'Love to my Country, my Family and Me' Celebration of the 75th National Day and Promotion of Caregivers' Wellness Being" for different sectors of the community to show their support and care for individuals in mental recovery and their caregivers, and "PLK Table Tennis Celebrations for the 75th Anniversary of the Founding of the People's Republic of China" to cultivate students' interest in sports. These activities not only helped strengthen people's sense of belonging to the country, but also brought warmth and love to the community.

May I extend my sincere gratitude to you and the Board of Directors 2024-25 again for your dedication, concerted philanthropic endeavours and significant contribution to the community, and wish the incoming Board every success in leading Po Leung Kuk to build on its achievements.

Yours sincerely,



(Alice MAK)
Secretary for Home and Youth Affairs

保良局簡介

保良局成立於一八七八年，服務香港至今一百四十六年，最初成立的目的是為遏止誘拐婦孺，並為受害人士提供庇護之所，其後服務不斷擴展，至一八九三年《保良局法團條例》頒佈施行，本局宗旨、組織得以確立。

二十世紀初，香港人口日漸增加，社會型態有所改變，本局於是把服務範圍擴展至收容及保護被遺棄的婦孺和受虐的兒童，並且負起教養這些兒童的責任。二次世界大戰光復以後，保良局繼續加強服務。

一九七三年，新的《保良局條例》頒佈施行，取代《保良局法團條例》，以適應社會和經濟的急劇轉變；同時保良局不斷擴充服務範疇，發展成極具規模的社會服務機構，提供高質素的社會、教育、青少年、康樂及文化服務，以配合社會的需要和市民的期望。根據最新修訂的《保良局條例》，保良局自二零一四年六月一日起增加為公眾提供醫療及衞生服務，為保良局服務發展樹立重要的里程碑。現時保良局轄下有三百二十三個單位。

About Po Leung Kuk

Po Leung Kuk has a history of serving Hong Kong for 146 years. The objective of the founding of the Kuk in 1878 was to suppress abduction of women and children and to provide shelters for such victims. With the enactment of the Po Leung Kuk Incorporation Ordinance in 1893, this objective and the Kuk's structure were legally defined.

At the beginning of the 20th century, with the rapid growth in population and changing social environment, the Kuk took shape as one of the largest social institutions rendering care and protection to women and children being abandoned or ill-treated. With the restoration of peace in Hong Kong after World War II, the Kuk continued to expand and improve its social services.

In order to cope with the rapid changes in Hong Kong, the new Po Leung Kuk Ordinance was enacted in 1973, superseding the Po Leung Kuk Incorporation Ordinance. Since then, the Kuk has expanded its scope into a diversified organisation, providing a wide spectrum of services, including social services, educational services, youth services, recreational services and cultural services. Provided by the latest amendment to the Po Leung Kuk Ordinance, the Kuk began to provide medical and health services for the general public of the Hong Kong community on 1 June 2014 setting a milestone in the service development of the Kuk. Today Po Leung Kuk has 323 services units.

CEO'S REPORT

行政總監報告
CEO'S REPORT

行政總監協助董事會制訂政策，並負責帶領管理層落實執行各項局務，確保日常運作順暢，政策得以有效執行。保良局服務香港社會至今一百四十六年，一直與時並進，不斷優化服務及行政架構，以提升工作效率，務求為市民提供最適切及貼心的服務及支援。

The Chief Executive Officer (CEO) assists the Board of Directors in formulating policies, and is responsible for leading the management in the execution of the Kuk's affairs to ensure smooth day-to-day operations and effective implementation of policies. In its 146 years serving the Hong Kong community, Po Leung Kuk has kept abreast of the times by continuously optimising its services and administrative structure to enhance its efficiency, with a view to providing the most appropriate and caring services and support to the public.

優化行政架構 推動員工增值 鞏固人才培育

Optimising Administrative Structure Promoting Staff Enrichment Strengthening Talent Development

成立人才發展中心

保良局重視人才培育，屆內優化行政架構，於人力資源部新增培訓及發展組，並成立人才發展中心，旨在推動員工終身學習及全能發展，亦會定期監測行業趨勢以滿足市場需求。中心為員工提供高質量專業培訓及活動，促進交流分享和團隊合作，增強員工歸屬感。中心成立至今舉辦超過三十場活動，受惠員工超過二萬五千人次。中心亦會定期提供職業安全和精神健康議題的相關培訓，讓員工提高於工作場所的安全及身心健康意識。此外，屆內本局亦新成立人事業務夥伴組，專責策劃特別人事項目及與本局相關的職業中介服務，以更有效招聘人才及應對服務需要。

Establishment of Talent Development Centre

Po Leung Kuk attaches great importance to talent nurturing. During this term, the Kuk revamped its administrative structure by adding a new training and development section in the Human Resources Department and establishing a Talent Development Centre. With the aim of promoting life-long learning and all-round development of our colleagues, the Centre also regularly monitors the prevailing trends of the industry in order to meet evolving market demands. The Centre provides high-quality professional training and activities for our personnel, promoting communication, sharing and teamwork to enhance their sense of belonging. Since its establishment, the Centre has organised more than 30 activities, attracting more than 25,000 staff attendances to date. The Centre also provides regular training on occupational safety and health issues to enhance workplace safety as well as physical and mental health awareness. In addition, a new People Business Partner Team has been set up this year, which will be responsible for planning special personnel projects and employment agency services of relevance to the Kuk, in order to recruit talent and meet service needs more effectively.

中心舉辦危機處理技巧及AI知識等不同講座，讓員工裝備自己。
Different seminars on crisis management skills and AI knowledge were organised to equip our colleagues.

加強人才招聘政策

本局一直積極擴闊招聘網絡，透過院校職業導向講座及大型招聘會以掌握人才市場發展趨勢，同時吸納各界別專才。人力資源部於本年度舉辦了十多場職業講座及招聘會，與學生、畢業生及求職者分享本局的服務願景、使命及價值。此外，講座亦包括本局人才發展策略、職業發展導向及工作交流等，藉此吸引年青一代加入本局，為我們的長遠發展注入新動力。

本局自二零二三年開始參與社會福利署推出的「院舍輸入護理員特別計劃」，於二零二四年為安老服務及康復服務十一個院舍單位聘請合共三十名護理員，預計於二零二五年將為第一輪完成合約之二十二名護理員進行續聘。

員工福利及關顧措施

為感謝各同工為局緊守崗位及作出貢獻，本局於去年十一月舉辦員工聯歡晚宴。此外，本局屆內亦舉行多個興趣班，包括：劍擊體驗班、土耳其馬賽克燈工作坊、香薰治療減壓工作坊、靜觀活動網上資源／動畫等。本局期望推廣生活與工作平衡理念，紓緩員工工作壓力，同時增強其團隊凝聚力。

Enhancement of Talent Recruitment Policy

Po Leung Kuk has been actively expanding the recruitment network to keep abreast of manpower market trends through career talks at institutions and large-scale job fairs, thereby attracting professionals from all walks of life. During the year, the Human Resources Department organised more than 10 career talks and job fairs to share with students, graduates and job seekers our vision, mission and values. In addition, the talks also covered our manpower development strategy, career planning and job exchange, in a bid to attract the younger generation to join us and inject new impetus into our long-term development.

Since 2023, the Kuk has started taking part in the "Special Scheme to Import Care Workers for Residential Care Homes" launched by the Social Welfare Department. A total of 30 care workers were recruited in 2024 to 11 residential care homes for our elderly and rehabilitation service units. It is expected that the contracts of 22 care workers in the first round of contract completion will be renewed in 2025.

Staff Welfare and Caring Measures

In appreciation of our colleagues' dedication and contribution to the Kuk, we organised an annual dinner in November last year. Meanwhile, various interest classes were held, including Fencing Experience Class, Turkish Mosaic Lamp Workshop, Aromatherapy Stress Reduction Workshop, Online Resources/Animation for Meditation Activities, etc. Our aim is to promote the concept of work-life balance to relieve employees' stress at work and to enhance team cohesion.

本局董事會成員、管理層及員工於聯歡晚宴上歡聚一堂。
Our Board of Directors, management and colleagues gathered together at the annual dinner.

推動服務團隊參與更多國內外學習交流

社會發展迅速，加強與國內外的專業服務交流，不單能借鑑其他地區的服務需要及策略，亦有助本局更深認識自身服務優勢，並聚焦提升效能。

屆內本局服務團隊多次連繫員工對外交流，藉此優化服務發展，例如資訊科技部、安老服務團隊及產業及工程部派出代表到新加坡了解數碼轉營趨勢，有助部署本局系統提升；康復服務團隊亦參與「ICF先導計劃 — 台灣考察團」，透過與專家深入交流，有助本局掌握如何更整全地評估殘疾人士的身心及其社會參與狀況；本局教育服務團隊亦推動屬校管理層參與大灣區教育考察團，加強對國情的認識。

本局策劃的員工對外交流活動眾多，當中亦有團隊獲得獎項為本局爭光，例如安老服務團隊於「第十八屆世界華人地區長期照護會議」向業界發表多個安老服務項目專案，並榮獲一等獎等多個殊榮。

Promoting Service Teams to Participate in More Learning Exchanges with Mainland and Overseas Organisations

As society evolves at a rapid pace, strengthening professional service exchanges with Mainland and overseas counterparts not only enable us to learn from the service needs and strategies of other regions, but also help us to better understand our own strengths and to focus on enhancing our effectiveness.

During this term, our service teams repeatedly liaised with staff for external exchanges with a view to optimising service development. For instance, representatives from the Information Technology Department, the Elderly Services Team and the Property and Works Department were sent to Singapore to learn about the trend of digital transformation, which was conducive to the deployment of system enhancement of Po Leung Kuk; whereas the Rehabilitation Services Team participated in the "ICF Pilot Project — Study Tour to Taiwan" to enhance the understanding of assessing the physical and psychological conditions of persons with disabilities and their social participation in a more holistic manner through in-depth exchanges with experts; and the Kuk's Education Services Team also encouraged the management of its affiliated schools to participate in the education study tour to the Greater Bay Area to better equip themselves with the knowledge of the national situation.

We have organised numerous external exchange activities for our staff, and some of our teams have won awards to bring honour to the Kuk. For example, the Elderly Services Team presented a number of elderly service projects to the industry at the "18th World Congress on Long Term Care in Chinese Community", and was awarded the First Prize, among other accolades.

兒童助養計劃宣傳重整

保良局由一八七八年創局初期已提供兒童住宿服務，為社會上有需要的小朋友提供適切支援。及後本局於六十年代開展兒童助養計劃，邀請有心善長捐款支持，成為小朋友的成長「良」伴。屆內本局邀得保良局「兒童助養大使」鄭嘉穎到總局親身體驗照顧員工作，並為兒童助養計劃拍攝宣傳短片。屆內本局亦於聖誕佳節期間，在中座大樓前設置掛滿保良局同仁和公眾祝福心意的成長「良」伴聖誕樹，並邀得鄭嘉穎先生出席聖誕樹亮燈祝福活動，答謝前線員工付出的同時，亦向住宿兒童送上支持。

本局亦於屆內加強兒童助養計劃之宣傳推廣，包括透過網上媒體、報章雜誌、巴士、社交平台、商場外牆廣告屏幕等渠道，讓公眾了解更多計劃資訊。另外，本局亦優化了網上捐款系統，以及助養小冊子等宣傳刊物之設計，以吸引更多公眾人士參加助養計劃。

Revamping Publicity of the Child Sponsorship Programme

Since its establishment in 1878, Po Leung Kuk has been providing residential child care services to support the needy children in our community. Subsequently, Po Leung Kuk launched the Child Sponsorship Programme in the 1960s, soliciting contributions from donors to support the children's development and be their "trusted companions". During this term, we invited Po Leung Kuk's "Child Sponsorship Ambassador", Mr Kevin CHENG Ka-wing, to visit our Headquarters to experience first-hand the work of a caretaker and to shoot a promotional video for the Child Sponsorship Programme. Besides, a "Trusted Companion" Christmas Tree was decorated in front of the Main Building during the festive season with the blessings of our colleagues and the general public. Mr Kevin CHENG Ka-wing was invited to attend the Christmas Tree Lighting Ceremony to show his appreciation for the dedication of our frontline staff and extend his support for the residential children.

During this term, we also strengthened the publicity and promotion of the Child Sponsorship Programme through online media, newspapers and magazines, buses, social media platforms and advertising screens on the external walls of shopping malls, etc., thereby improving the public to learn more about the Programme. In addition, we have enhanced the online donation system and the design of promotional materials such as the Sponsorship Booklet with the aim of attracting more potential participants to join the Sponsorship Programme.

優化資訊科技系統

網頁重整計劃

為更有效連繫各服務持份者，便利他們在本局獲取資訊及進行報名或捐款，本局屆內啟動網頁重整計劃，期望為本局打造一個功能更完善的新網站，包括加入人工智能和機器學習聊天機器人相關功能、提供線上活動／事件／活動日曆、加入企業級內容管理系統以便在單一平台上管理多個網站等。

員工應用程式

本局正計劃推出全新員工流動應用程式，以促進員工之間的溝通合作，以及員工與管理層間的內部交流及互動，並讓員工可隨時隨地獲取所需資訊。相關平台亦有助員工培訓，讓員工學習技能及自我提升，支持其職業發展。平台亦設有調查和意見反饋功能，鼓勵員工積極參與決策過程，以提升其歸屬感和對局務運營的參與度。此外，平台將具備收集和分析數據能力，有助管理層洞察員工需求，制定有效的管理策略，提升整體運營效能。

中央雲端資料庫及人工智能功能

屆內本局積極推動雲技術的應用。保良局擁有悠久歷史和大量數據，利用人工智能技術有助本局在雲端環境中提升大數據的利用率，以及以更高效的方式管理及分析實時數據，增加互動性並改善整體用戶體驗。另外，雲技術促進本局的內部系統集成，包括捐款人關係管理系統、保良局電子支付平台、人力資源信息系統、義工管理系統等，簡化流程讓持份者更容易操作，同時縮短處理網上捐款所需時間。

Information Technology System Enhancement

Webpage Revamping Project

During this term, the Kuk initiated a webpage revamping project to create a new website with enhanced functions, including the integration of Artificial Intelligence (AI) and Chatbot features, providing an online calendar for our activities, events and campaigns, an enterprise-level Content Management System to manage multiple sites on a single platform, etc.

Staff Mobile Application

The Kuk is planning to launch a brand new staff mobile application to facilitate communication and collaboration among employees, as well as internal communication and interaction between employees and management. This platform allow employees to access the information they need anytime and anywhere, and also assist in employee training, enabling them to learn skills and self-improvement, supporting their career development. By setting up survey and feedback functions, the Kuk encourages employees to actively participate in the decision-making process , so as to enhance their sense of belonging and engagement in the organisation's operations. Furthermore, the platform will have the capability to collect and analyse data, helping management gain insights into employee needs and formulate effective management strategies, thereby improving overall operational efficiency.

Cloud Enablement and AI Technologies

The Kuk actively promotes the application of cloud technology during this term. Given Po Leung Kuk's long history with a vast amount of data, it leverages AI technologies within a centralised cloud environment to help the Kuk significantly enhance the utilisation of big data, as well as manage and analyse real-time data more efficiently, increasing interactivity and improving the overall user experience. Moreover, cloud technology facilitates better system integration with internal platforms such as the Donors Relationship Management System, PLK ePayment Gateway, Human Resource Information System, Volunteer Management System, etc. This integration streamlines various processes, making it easier for stakeholders to operate while reducing the time required for handling online donations.

Since the implementation of the "Kindergartens-Primary Schools Alliance" Education Policy in the previous academic year, the Kuk's 24 affiliated kindergartens and 24 affiliated primary schools have been working closely with one another to organise a wide range of activities and exchanges in the current academic year. So far, more than a hundred activities have been jointly organised by the schools, covering different learning areas such as Chinese culture, music, sports & arts, innovation & technology, healthy living, language learning, environmental education, positive education, and so on. 提升科技創新教育

舉辦大型創科及科普講座

本局致力發展科技創新教育，積極邀請多位國家級科學家到校，與學生分享專業知識及奮鬥故事，激發學生對科研的興趣。屬校於十一月邀請中國病毒研究專家畢玉海教授，與超過二百位高中學生分享「人類與微生物戰爭」專題。畢教授作為國家科學領袖，憑藉豐富知識和生動講述，帶領學生了解傳染病防控和生物研究，並展示國家在微生物研究領域的成就。

Enhancing Technology and Innovation Education

Organising Major Seminars on Innovation, Technology and Science

The Kuk is committed to the development of technology and innovation education. In view of this, several national scientists were invited to share their professional knowledge and hard work with our students to arouse their interest in science and technology research. In November, our affiliated schools invited Professor BI Yuhai, an expert in virus research in China, to share with more than 200 senior secondary school students on "Wars between Humans and Microorganisms". Professor BI, a leading scientist in the country, led students to learn about the prevention and control of infectious diseases and biological research, illustrating national achievements in microbiological research through his extensive knowledge and lively presentations.

促進教師科技教育專業成長

本局一直致力推動STEAM教育，並率先為屬校作適切支援，早於二零一七至一八學年成立「STEAM教師專業學習社群」，讓各屬校STEAM教師定期作專業交流及共享學科資源。本學年工作坊於十一月一日舉行，主題為「AI新世代」，為屬下教師教授人工智能的應用。此外，本局於去年六月與教育局合作，為屬下中學舉辦「STEAM學習單元交流會」，屬校教師進一步掌握STEAM教學規劃及學與教策略，有助準備啟發學生創意潛能的初中課程。

Promoting Professional Growth of Teachers in Technology Education

The Kuk has been committed to promoting Science, Technology, Engineering, Arts, Mathematics (STEAM) education and spearheading the provision of appropriate support to our affiliated schools. Early in the 2017–18 academic year, the "STEAM Teachers' Professional Learning Community" was formed to enable regular professional exchanges and sharing of subject resources among STEAM teachers of our affiliated schools. In this academic year, a workshop themed "New Generation of AI" was held on 1 November to train our teachers on the application of Artificial Intelligence (AI). Furthermore, we collaborated with the Education Bureau to conduct a "STEAM Learning Module Exchange Session" for affiliated secondary schools in June last year. Teachers of affiliated schools acquired a better understanding of STEAM pedagogical planning as well as learning and teaching strategies, thus facilitating the preparation of junior secondary school curriculum that would inspire students to develop their creative potentials.

STEAM teachers of affiliated schools participated in the workshop themed "New Generation of AI" to exchange their professional knowledge.

外界資源推動科技教育

本局積極透過外界資源推動科技教育，屬下十三所小學已於去年完成「賽馬會運算思維教育計劃」。計劃啟發學生在日常生活中運用創新思維，培養運用科技協助解難。八所屬校於本學年起參加「賽馬會探究式科學學與教提升計劃」，知名海外及內地學術機構開發的教材、實驗套裝及教師專業發展培訓，為屬校開設小學科學科提供豐富資源。

Promoting Technology Education through External Resources

The Kuk has been actively promoting technology education through external resources. Last year, 13 affiliated primary schools completed the "CoolThink@JC" programme. Students were inspired to think creatively in their daily lives while employing science and technology to help solve problems. From this academic year, 8 affiliated schools have joined the "Jockey Club Enquiry-based Science Learning and Teaching Enhancement Programme". Teaching materials, experiment kits and professional development training for teachers developed by renowned overseas and Mainland academic institutions have provided abundant resources for our affiliated schools to offer Science as a subject in primary schools.

推動小學科學科獨立成科

社會服務
SOCIAL SERVICES

服務理念／策略
SERVICE VISION AND MISSION

本局透過全港超過二百個政府資助及自資社會服務單位，為市民提供多元化的優質社會服務，包括家庭服務、幼兒服務、安老服務及康復服務，由幼至老皆獲照顧。過去三年社會服務及醫療服務每年平均服務人次超過一百八十萬。另一方面，我們亦緊貼社會需求，設立多項慈善基金，以解有需要人士燃眉之急。我們對社會服務有着長遠承擔，期望得到各界更多支持及捐助，惠及更多有需要人士。

Through over 200 subvented and self-financed social service units, the Kuk provides multifaceted, quality social services to the public, including Family Services, Child Care Services, Elderly Services and Rehabilitation Services, caring for the young to the old. In the past 3 years, our Social Services and Medical Services recorded over 1.8 million user contacts annually. Moreover, we keep abreast of the society's needs by establishing various charity funds to alleviate imminent hardships of those in need. The Kuk has a long-term commitment to provide social services for the community and eagerly hopes for additional support and donation to benefit more people in need.

年度工作重點

筲箕灣社區客廳

筲箕灣社區客廳是港島區第一間社區客廳，由信和集團及黃廷方慈善基金贊助場地及裝修費用，獲關愛基金資助以及由保良局負責日常營運，服務期由二零二五年三月起。筲箕灣社區客廳聚焦扶助劏房住戶和家庭，為他們提供額外生活空間及擴闊人際網絡，藉此提升其生活水平和對社區的歸屬感。開幕典禮於三月十九日舉行，並獲政務司司長陳國基, GBS, IDSM, JP親臨主禮。

Highlights of the Year

Shau Kei Wan Community Living Room

Shau Kei Wan Community Living Room is the first community living room in the Hong Kong Island district, which is sponsored by the SINO Group and Ng Teng Fong Charitable Foundation for the premises and renovation costs, with funding granted by the Community Care Fund. Its daily operations are managed by the Kuk , with services starting from March 2025. The Community Living Room focuses on supporting residents and families living in subdivided flats, by providing them with additional living space and opportunities to expand their social networks, thereby enhancing their quality of life and sense of belonging to the community. The opening ceremony was officiated by the Hon CHAN Kwok-ki, GBS, IDSM, JP, Chief Secretary for Administration on 19 March.

「童 • 繫愛」兒童住宿培育計劃

保良局綜合家庭服務與香港教育大學整全成長發展中心合作，於去年五月開展「童 • 繫愛」兒童住宿培育計劃，藉此提升整體兒童住宿服務質素。計劃內容包括：培訓員工有關遊戲治療、蒙特梭利教學、音樂治療及敘事繪畫四大範疇的知識及技巧；設計及提供適合二至六歲兒童之培育課程；製訂電子課程教材及應用手冊，以改善留宿兒童的行為、情緒管理、社交能力及依附感。

"Nurturing Bridges": Empowering Growth and Connection Programme for Residential Children

In collaboration with the Integrated Centre for Wellbeing of the Education University of Hong Kong, our Integrated Family Services launched the "Nurturing Bridges": Empowering Growth and Connection Programme for Residential Children in May last year to enhance the overall quality of the residential child care services. The programme provides staff with training in the knowledge and skills across 4 key areas, namely play therapy, Montessori education, music therapy and narrative drawing. It also involves the design and delivery of a curriculum suitable for children aged from 2 to 6, along with the preparation of e-curriculum teaching materials and handbooks to improve the behaviour, emotional management, social skills, and sense of attachment of the residential children.

守護兒童網上學習平台

為確保員工充份掌握守護兒童及保護兒童的知識及技巧，屆內本局特設守護兒童網上學習平台。網上學習平台主要包括：認識如何守護及保護兒童、與兒童相關的性侵犯、心理傷害、疏忽照顧及身體傷害及有關處理個案守則，以及如何妥善照顧兒童。員工對平台內容反應正面，並期望持續學習和交流，提升工作質素。

Child Safeguarding Online Learning Platform

To ensure our staff fully understand the knowledge and skills of safeguarding and protecting children, the Kuk specially established an Child Safeguarding Online Learning Platform during the year. This platform primarily covers the knowledge of child safeguarding and protection, child-related issues such as sexual abuse, psychological harm, neglect, and physical harm and relevant case-handling guidelines, as well as the approach to proper childcare. Our staff responded positively to the platform's content and looked forward to enhancing their work quality through continued learning and exchange.

幼暨「開放式環境教學」研究

本局屬下二十五間幼稚園暨幼兒園早於二零零三年開始推行「開放式環境教學」，有別於學前教育的分班教學模式，此教學方法突破傳統課室的限制，讓二至六歲幼童無分年齡地在不同學習區域進行自主活動，透過多元豐富的體驗促進全人成長。本局屆內更透過香港浸會大學進行研究，證實幼兒在「開放式環境教學」下，整體發展不俗，特別在認知發展、語言發展及情意及群性發展方面，表現尤其出色；家長亦反映「開放式環境教學」有助培養孩子的觀察、思考和認知能力。

Study on Implementing "Space Approach" at Kindergartens-cum-Nurseries

Since 2003, 25 kindergartens-cum-nurseries under the Kuk have been implementing the "Space Approach". Contrary to the class-based teaching model in pre-primary education, this teaching approach removes the boundaries of conventional classrooms and allows children aged between 2 to 6 to participate in self-directed activities across various learning areas regardless of age. By doing so, it fosters whole-person development through diverse and enriching experiences. During this year, the Kuk commissioned the Hong Kong Baptist University to conduct a study which confirmed that children demonstrated impressive development on the whole under the "Space Approach", with particularly strong performance in the areas of cognitive development, language development, and affective and social development. Parents also noted that the "Space Approach" helped cultivate their children's observation, thinking, and cognitive skills.

文化欣賞區其中一個區角加入傳統特色佈置，讓幼兒在其中探索學習。

Small animals were kept on campus, allowing children to observe and learn about animal behaviours.

李慧詩特殊幼兒單車班—「保寶單車教室」

幼兒服務致力透過運動促進幼兒的身心發展。本年度邀得曾奪兩屆奧運銅牌的前香港單車代表李慧詩，SBS，MH，與本服務的物理治療團隊合作，舉行首屆「保寶單車教室」。首屆單車班成效顯著，透過循序漸進且有趣的訓練，強化幼兒大肌之餘，亦加強他們的專注力以及自信心。來年本局將繼續與李慧詩合作，透過單車運動傳遞愛與堅毅的精神。

Special Needs Children Cycling Class by Sarah LEE — "Cycling Class for Children at Po Leung Kuk"

Committed to promoting the physical and mental development of children through sports, our Child Care Services invited Ms Sarah LEE, SBS, MH, former Hong Kong cycling representative and 2-time Olympic bronze medallist, to launch the first "Cycling Class for Children at Po Leung Kuk" with its physiotherapy team. With remarkable results, the first cycling class strengthened the major muscle groups of the children as well as their concentration and confidence through progressive and engaging training. In the coming year, we will continue to work with Sarah to spread the spirit of love and perseverance through cycling.

「一九七四」咖啡廳

保良局屆內獲香港廉政公署委託營運其於北角總部的首間咖啡廳「一九七四」。本局安排轄下職康服務之殘疾學員擔任咖啡廳店員，藉此推廣傷健共融之餘，亦提升學員沖調咖啡的技巧，以及提升他們的工作技能及與社區人士的溝通技巧，為他們日後公開就業作準備。咖啡廳亦出售保良局社企「一點烘焙」及「一點回味」提供的曲奇產品及自家製飲品。

Café "1974"

Po Leung Kuk was commissioned by Hong Kong's Independent Commission Against Corruption (ICAC) to operate its first café, "1974", at its North Point headquarters. The Kuk has arranged for disabled trainees from its Occupational Rehabilitation Services to work as café staff, in order to promote social inclusion and enhance their coffee-making skills. Moreover, this arrangement would prepare them for open employment in the future by improving their job skills and communication skills with members of the community. The café also sells cookies and homemade beverages produced by Po Leung Kuk's social enterprises, "Tasty ONE" and "Delish ONE".

保良局慶祝國慶七十五周年 • 藝遊香港

為慶祝中華人民共和國成立七十五周年，三架印有本局康復服務學員藝術作品的主題電車於國慶月在港島區穿梭，讓公眾認識殘疾人士的藝術才華，藉此推廣和諧關愛信息。是次活動啟動禮邀得中聯辦協調部副部長陳澤濤先生及勞工及福利局康復專員陳偉偉先生擔任主禮嘉賓，與保良局董事會成員及一眾康復服務學員及其家人乘坐相關主題電車。同日並有超過一千四百位服務使用者、照顧者及職員透過活動直播一同慶祝。

Celebrating the 75th National Day — Art in the City

To mark the 75th Anniversary of the founding of the People's Republic of China, 3 themed trams featuring artwork created by trainees from our Rehabilitation Services toured Hong Kong Island throughout the month to celebrate the National Day. This allowed the public to appreciate the artistic talents of persons with disabilities, thereby spreading the messages of harmony and care. Officiating at the opening ceremony of the event, Mr CHEN Ze-tao, Deputy Director-General of the Coordination Department of the Liaison Office of the Central People's Government, and Mr Fletch CHAN Wai-wai, Commissioner for Rehabilitation, Labour and Welfare Bureau, joined members of the Board of Directors of Po Leung Kuk, as well as trainees from our Rehabilitation Services and their family members in riding the themed trams. Additionally, over 1,400 service users, caretakers, and staff members celebrated together during the live broadcast of the event on the same day.

「一同手作」拓展寄售點

「一同手作」積極開拓與不同持份者合作，屆內成功新增三個寄售平台，讓更多公眾認識殘疾人士製作的產品，了解學員的多元才能。其中位於香港會議展覽中心地下的香港 • 設計廊，不但發售「一同手作」的熱賣品，並大力推廣本港著名設計師楊展先生與保良局永隆銀行金禧庇護工場合作生產的羊毛氈系列。

與保良局總局同樣位於銅鑼灣禮頓道的商店 Fat Cave，亦在去年七月起寄售「一同手作」的各式產品。此外，香港品牌木見的創辦人亞明是本局青年創業服務中心「創業經理人」計劃的參加者，從本局康復服務與青少年服務合作的活動中認識了「一同手作」，促成雙方合作出品具特別香氣的懷舊擴香石系列。

More Consignment Spots for "Artsy ONE"

"Artsy ONE" actively expanded its collaborations with various stakeholders, which resulted in 3 additional consignment platforms during the year. These platforms enable the public to appreciate the products crafted by persons with disabilities and showcase the diverse talents of our trainees. In particular, the HKTDC Design Gallery on the ground floor of the Hong Kong Convention and Exhibition Centre sells popular products of "Artsy ONE", and greatly promotes the wool blanket series co-produced by renowned local designer Mr YEUNG Chin and Po Leung Kuk Wing Lung Bank Golden Jubilee Shelter Workshop.

Also located on Leighton Road, Causeway Bay, where Po Leung Kuk Headquarters is situated, Fat Cave has become another consignment platform for various products of "Artsy ONE" since July last year. Ya Ming, the founder of a local brand Muk6 Jin6 and a participant of the "StarAgent" programme under the Kuk's Youth Entrepreneurship Service Centre, learned about "Artsy ONE" through an activity co-organised by our Rehabilitation Services and Youth Services. This connection gave birth to a nostalgic aroma ornament series featuring a unique scent.

This year, various Rehabilitation Services units organised a variety of team activities for staff members to take a short time off from work. These activities, which not only strengthened team spirit but also boosted morale, included the Team Building — Personality Dimensions Workshop, Caring Teams — MBTI Personality Types Workshop, Positive Psychology — Happiness Navigation Workshop, and Circle Painting — Co-creating New Chapter for the Team. Rapport between team members significantly improved following these team activities.

善用政府撥款確保服務質素

社會福利署在二零二四至二五年度實施「資源效率優化計劃」(「計劃」)，並在二零二五至二六年度加大力度，預期在二零二七至二八年度累計削減百分之七的撥款。

自社會福利署實施「計劃」後，社會服務部積極審視及評估各項服務的資源分配，並聘請顧問公司協助檢視人力資源，以制定相應的方案，務求善用政府撥款，確保服務質素不受影響。

Optimisation of Resources for Ensuring Service Quality

The Social Welfare Department implemented the Productivity Enhancement Programme ("the Programme") in 2024-25 and will step up the measure in 2025-26 with a cumulative reduction of 7% of subvention in 2027-28.

Since the implementation of "the Programme", Social Services Department has reviewed the resources allocation for various services and engaged a consultant to assist in reviewing the human resources to formulate corresponding plans, so as to ensure that the government subvention can be optimally utilised and the quality of services will not be affected.

「可持續發展」獎項

康樂服務部繼去年獲得InnoESG Co-creation獎項後，本年繼續獲頒InnoESG Culture Impact Award。兩營多項活動獲得香港SDG (Sustainable Development Goals)認證，成為全港唯一獲香港SDG授權頒發ESG證書及SDG襟章的營地。企業、機構或學校參加由營地舉辦的「可持續發展」項目後，除可獲頒發SDG證書，每個參加者亦獲頒授鑄有認證編號的襟章。兩營期望藉此鼓勵更多公眾參與，認識和支持「可持續發展」。

此外，兩營屆內協助本局單位及企業獲取各項SDG獎項，包括協助本局林文燦英文小學創出Lam Man Chan Sports Day Dance世界紀錄，並安排該校老師及學生參加各項營地SDG活動，成功推薦該校獲得最高榮譽的InnoESG High Impact School Award。此外，兩營亦安排中國銀行(香港)六百名員工參與慈善活動，並邀得香港SDG向中銀香港頒發ESG證書。

"Sustainable Development" Awards

Following last year's receipt of the InnoESG Co-creation Award, the Recreational Services Department was further honoured this year with the InnoESG Culture Impact Award. Various activities at the 2 camps have been recognised by the Hong Kong SDG (Sustainable Development Goals), making them the only camps in Hong Kong authorised by the Hong Kong SDG to issue ESG certificate and SDG pins. Participants from enterprises, organisations, or schools who take part in "sustainable" events organised by the camps will receive an SDG certificate, along with a pin embossed with a certification number. Through this initiative, the 2 camps aim to encourage the public to engage with, understand and support "Sustainable Development".

Moreover, the 2 camps supported the Kuk's service units and enterprises in achieving various SDG awards this year. For instance, they assisted the Kuk's Lam Man Chan English Primary School in setting a world record for the Lam Man Chan Sports Day Dance and facilitated the participation of the school's teachers and students in a range of SDG activities at the camps. As a result of these efforts, the School received the InnoESG High Impact School Award, the highest honour of its kind. Furthermore, the 2 camps also organised charitable events for 600 staff of Bank of China (Hong Kong) (BOCHK) and invited the Hong Kong SDG to present an ESG Certificate to BOCHK.

Public Activities and Cultural Heritage

This year, the Museum actively expanded the themes of its public programmes, covering architecture, calligraphy, Chinese culture and history. These efforts demonstrated the Kuk's rich and diverse cultural heritage, as well as the Museum's commitment to attracting a broader audience.

In response to the public's interest in local culture and historic buildings, the Museum brought back the well-received heritage guided tour with the Tung Wah Group of Hospitals, with renewed itinerary including Man Mo Temple (Declared Monument), Kwong Fuk Tsz (Grade I historic building), and the Main Building of the Kuk (upgraded to Grade I historic building in 2023). These tours highlighted the development history of the 2 major charitable organisations in Hong Kong and the historical ties between the Kuk and Tung Wah Group of Hospitals. In addition, the Museum collaborated with "Hide and Seek" to organise a cultural guided tour on Chinese calligraphy; the tour explored the calligraphy treasures left by Qing Dynasty literati found inside the Kuk Headquarters.

兒童助養計劃
Child Sponsorship Programme

保良局一直為有需要兒童提供適切照顧，並於六十年代開展兒童助養計劃，邀請有心善長成為兒童的成長「良」伴。今年本局特別邀請到「兒童助養大使」鄭嘉穎先生體驗照顧員的日常工作。

Po Leung Kuk has been dedicated to providing suitable care for children in need. Since 1960s, the Kuk has launched the Child Sponsorship Programme, encouraging compassionate individuals to become "Trusted Companions" in the growth of our children. This year, Mr Kevin CHENG, our Child Sponsorship Ambassador, was invited to experience the daily work of a caretaker.

鄭嘉穎支持助養重身教

香港文匯報訊（記者 梁靜儀）鄭嘉穎昨晚以兒童助養大使身份，到訪深水埗保良局聖誕活動，並向小朋友派發聖誕禮物。

再做大使的嘉穎呼籲大家支持助養，之前他就體驗做一日照顧員，因自己有了家庭和小朋友，很適合擔任此工作，他又稱以前也有透過其他團體支持海外助養，保良局則可以助養到香港小朋友，雖未試過和小朋友相認，但就收到不少聖誕卡和心意卡，他讀很多當中助養的小朋友現在已好大個，也很生性，覺得做助養這件事是對的，希望有更多人可以支持這件事。

問到三個兒子可知道爸爸在外面有很多小朋友？嘉穎笑言大仔還未夠6歲，曾帶他去參與保良局的活動，但很多事他都不知道，見到20個人擠在一間房覺得好玩，對很多事都未知情，希望今他一步步去明白，問可會跟愛小朋友？他覺得男仔要窮養，現階段會向他們灌輸正確思想，及金錢觀和價值觀，他指有給兒子看振學友和MJ（米高積遜）的圖出，兒子就會問：「Is he rich？」他說：「最重要令他明白，很多都不是買得到，愛和家庭才是最重要的。」

問到聖誕節如何慶祝？嘉穎指兒子就國際學校，因此聖誕就三星期長假令他頭痛，太太陳凱琳已為他們安排畫畫班，聖誕和冬至都會在家開派對。

提到唐詩詠的麵包店就在附近，嘉穎表示已品嘗過，更大讚很好味，他說：「一間店已靠喜歡，（太太都要排隊買包？）我都要拜託，證明你下過苦工，成功係有道理。（詩詠說揀麵包不揀愛情？）唔大個人自有分數，會識途。」嘉穎指自己是保守派不會做生意，只識收租。

提到表弟王賢誌申請破產，嘉穎指家人的事不多講，希望他可以順利解決，問可會幫手？他說：「輪唔到我啦，佢係大家庭未需要到我，希望佢盡快解決。」對於先家樂爆王賢誌早知情，又指他近年很多街數，嘉穎稱無留意：「覺得佢係好過考慮這清楚點做，唔係簡單的選擇。（覺得得益？會同候他？）唔多講，相信呢時同每個人都唔會想有人插嘴。」問到可會與家族過冬至？他說：「以前都是上上一輩，由爲哋去主導，大時大節會見面，大吃就少見。」

無意組夫妻檔KOL
鄭嘉穎自嘲傳統唔適合

鄭嘉穎前晚（24日）在銅鑼灣保良局化身照顧員拍宣傳片，他坦言當爸爸後多了耐性，對於太太陳凱琳成為最高收入KOL首位，他覺得太太做到鍾意做的事，好適合她，最緊要她開心，揸KOL不易做，太太都辛苦，努力拍攝有趣角度，會否夫妻檔做KOL？嘉穎指不適合傳統的自己，家庭和私人事不會公諸同好，他有亮相的片段，太太有共識才放上網，他指夫婦財政獨立，自己都有積蓄，太太吸金力強是好事，他和兒子不需擔心，少個煩惱。

最近嘉穎在家為黃智賢慶生今家中陳設曝光，被網民指揸亂無章，嘉穎認為有3個小孩，亂都正常，太太的港姐后冠和權杖也被揸亂放，他揸后冠和權杖不是真，毋須逐點回應猜測的事，吾則好唔得閒。

提升學童抗逆力　保良局24小學將推行正向教育 (19:13)

正向教育踏第8年　逾2萬人受惠
【本報訊】學童壓力管理和家長情緒調節成為社會關注議題，保良局昨日舉辦「正向教育發布會」分享教育成果，該局早在2017年已開始在所屬各校推行正向教育，至今已推廣至數十間學校，支援數千家庭提升幸福感。有家長表示，接受正向教育後，更理解孩子的心情，有助孩子情緒穩定。保良局稱，教職員參與計劃後，在教學上有不少轉變。
今年已是推行正向教育的第8年，總共支援近7,000家庭，受惠人數超過20,000人，包括幼稚園、中小學學童、家長、教職員、非教職員及社區人士。保良局稱，參與計劃的人士在其精神健康、幸福感及抗逆力等方面均有所提升，尤其是學童，在學前教育期間能有系統性的接受正向教育，能在學童成長過程中學會「成長型思維」，以積極樂觀的態度面對挑戰，對其升讀小學後所要面對的各個方面都具有影響。
增抗逆力　促進親子關係
家長在接受正向教育後亦有助促進親子關係。家長李太表示，兩名女兒就讀幼稚園開始已接觸正向教育，她指大女兒在壁球比賽和學業上面對挫折時，也會用正向方法教導她；女兒也會用正向的話語為自己打氣，更容易接受失敗。李太還表示，小朋友在感受到理解時，情緒會更穩定，更有信心面對日後的挑戰。
教育後能更好的面對失敗。

廉署賀成立50年 約你總部「歎咖啡」打卡

廉政公署為吃慶祝今年踏入50周年，率北角總部地下大堂開設廉署咖啡廳，以廉署成立年份「一九七四」命名，咖啡廳昨舉行開幕禮，今日正式向公眾開放，大家到場「飲杯」之餘，仲可以參觀店內產品，了解廉署職反貪工作。小林昨日就有率親身到場，試咗下開名已久嘅廉署咖啡，果然名不虛傳！

廉政公署社區關係處處長李偉強話，咖啡廳短招標後，由保良局營運，自負盈虧，收益歸職構作慈善用途，署方會收取服務費用作租金，金額會歸入庫房，但又話，坊間很多人好奇廉署咖啡嘅味道，所以廉署會話題開設店舖，期望可吸引市民嚟客打卡，了解廉署職反貪工作。

廉政專員胡英明話，廉署近年足跡走咗多處本全世界，包括很多一帶一路國家，今次咖啡嘢，就用咗當南阿非洲等地嘅咖啡豆。律政司司長林定國形容，廉署不僅誘廉潔、誠信嘅品質，植入港人基因，更將呢啲美德，帶到內地和海外。
