

**Remuneration Packages for Staff in the Top Three Tiers
of Non-governmental Organisations operating Subvented Welfare Services**

Review Report for the Reporting Year of 2023-24

According to the Lump Sum Grant Subvention Manual, Non-governmental Organisations (NGOs) receiving recurrent subventions and subsidies from the Social Welfare Department (SWD) of not less than \$10 million a year and such amount exceeds 50% of their operating income pertaining to services / programmes within the welfare purview are required to submit the "Review Report on Remuneration Packages for Staff in the Top Three Tiers" (Review Report), and regularly review the number, rank and remuneration packages of their staff in the top three tiers. For NGOs that are not subject to the disclosure requirement as mentioned above, they are encouraged to consider making public the remuneration information of such staff in order to enhance their public accountability and promote the public's understanding of NGOs' financial position.

In cases where the top three-tier positions of the NGO (or of a particular division, e.g. social service of the NGO, where appropriate) are funded entirely by the NGO's income from sources other than the SWD, other senior staff of the NGO (or of its particular division) occupying the subsequent three-tier positions may be covered subject to the NGO's particular circumstances such as its organisational structure.

[Please read the explanatory notes before completing this form. The completed Review Report should reach the SWD through the SPMIS by 31 October 2024.]
