BEST NEW STORY EVERY SEASON

## Words from Author

Dear Parents and Guardians :

Hello everyone! I am Ms. Cheang, wish everyone Happy New Year in the year of Tiger, good health and prosperity!

Since the Chinese New Year, Hong Kong has more Covid-19 confirmed cases, in order to protect our young children stay safe and healthy, Government has announced suspend face-to-face classes for Kindergarten Cum Nursery on 14<sup>th</sup> January, 2022.

To support Kindergarten to provide meaningful and interesting activities for learning at home, so as to achieve the goal of "Suspending Classes without Suspending Learning". The Education Bureau (EDB) provide a one-off subsidy to assist them in implementing two schemes "Gift Book Scheme" and "Do It Yourself (DIY) Handicraft and Learning Package Scheme (Learning Package Scheme)".

Through "Gift Book Scheme" to offer K1-K3 students one story book, to arouse their interest in reading and promote reading culture ; and through "Do It Yourself (DIY) Handicraft and Learning Package Scheme (Learning Package Scheme)" school to design some simple, interesting and creative learning activities for K1-K3 students to join with their family; and to enhance parent-child bonding and spending quality time together.

We hope the epidemic will be over soon and look forward to seeing everyone back in school to have fun again.
