Words From Author

Hello everyone,

Wish you all well! I am Ms. Cheang Weng Lam, the Senior Teacher, I am glad that the overall pandemic covid-19 in Hong Kong has been subsidised, things are getting back to normality, children can participate different activities such as outdoor and parent-child activities which helps to enrich their life experiences. In order to let the children to enjoy the nature, we will arrange "Parent-child Day Trip—Nature Fun Day" in April, aiming through this activity to enhance the relationship and quality time for child and their parents and to have fun with school teachers.

We take this opportunity to thank you for Parents' support, we strive to build a school-home cooperation and effective communication to provide a safe and protective, full of love and happiness environment for children to learn and grow.

Project: Through diversified games and activities to enhance children's creative thinking.

Yearly Plan

Parent's Talk cum Workshop "Enhancing Children's Creative Thinking"

We have arranged Parent's Talk cum Workshop to provide the opportunity for the family to learn how to create games by using basic home materials to enhance children creativity thinking.

"Do Leung Kuk Student Happy Growth Fund - Happiness Kindergarten Campus Project"

"Happiness Master - Experience Activity"

Through the fun activities for children to develop their mental health, to create an environment that they can learn how to express their feelings, build up self-confidence and enhance their social emotional ability and to enrich their happiness in daily life.

Activity (1) Through storytelling activity and games activity, children learn how to express their feelings, build up self-confidence and enrich their happiness.

Activity (2) Self Growth Workshop : Children will share their art work to develop value of Sharing and Caring Others.
