Dear Parents and Guardians:

Hello everyone! I am Principal Ms Cheang and Senior Teacher Ms Lau, we are pleased to work with all the parents. Through mutual trust and encouragement to offer a better environment for the children.

From looking at the growth and development of each child, we witnessed the teachers' hard work and effort. Because all our smart graduates will start their new stage of life to become new members in the elementary school. We all delighted to celebrate this golden moment! I wish all graduates to continue to shine and soar high on their learning journey ahead!

Yearly Plan

Project : Through diversified games and activities to enhance children's creative thinking.

Parent-child Workshop "Enhancing Children's Creative Thinking"

To help parent and children learn how to use the simple items from home, to play with their child and to develop their creative thinking.

Creative Board Games Activity Program

To offer the opportunity for children to try and to stimulate their creative thinking development, we have designed some creative board games to arouse their interest and to enhance their creative thinking development; they will play with teachers and to learn through play and cooperation with others.

"Let's play Creative Board Games!" Parent-child Workshop

Board games are getting more popular, it is full of creativity and interesting way to play, children learn through play, they can also help to nurture various child development, parents can demonstrate through games how to develop creative thinking skill.
